

the 2nd week of September. This will take 16 weeks to finish. Although there is a schedule for progress it may be revised as needed.

Historic Commission: Judy said that Patrick Phelan's modifications to the By-laws and Ordinances were approved at the last meeting. The amendments will be added to the document and send this back to the City Commission for approval.

Mason Jars: Denise would like the jars to go back out into stores again for this year. A list needs to be made of all the places we put the jars. Judy asked that we should get coin sleeves for the coins and fill these before handing over donated money to her or Denise. The Atrium in Port Huron has asked for a jar for donations.

Heritage Day: Becky distributed a detailed report on the progress for this event. Some discussion centered on the high cost of Trendy Booths.... \$595 for 3 hours. It was suggested that M1 Productions might be able to find a less expensive photographer or find someone locally who could fill the bill.

Paranormal Video: Kim told the members details of the "Beyond the Veil" video taken in City Hall. Kim thought that the ghost video could be shown at a special meeting on a Sunday night. No date was set yet.

Indian crafts were discussed for the event and Harsen's Island may be the place to go to inquire about crafters.

There will e no cover charge for Heritage Day, but donations in our jars will be welcome. After this year's event there will be a clearer vision of how to raise money for 2013.

Talent Showcase: No report tonight

Judy would like have a party to celebrate the completion of the 1st phase. A tentative date would be in August. This will be an agenda item for next month.

Meeting adjourned at 9:40 p.m.
